The 58th General Assembly offers an opportunity to look ahead based on the ATA accomplishments and lessons learned. New strategies and programs in the field of public information, research, education and training, will be developed to effectively cope with the present security issues of the Atlantic community. Political, military, diplomatic, and academic representatives from 37 NATO and partner countries will take part in the Assembly, together with young researchers and university students, thus fostering *NATO and the Future of Cooperative Security*

Organized by the
Italian Atlantic Committee

in cooperation with the
Atlantic Treaty Association

with the support of the
Italian Ministry of Foreign Affairs
Italian Ministry of Defense

NATO Defense College
